***Youth Exchange Program  
Student Participant***

Each year the Sister Cities organization chooses a group of 7<sup>th</sup> grade through 11<sup>th</sup> grade students from Greenfield-Central Schools to travel to our sister city in Kakuda, Japan, and live with a host family for approximately ten days. Adult chaperones will accompany the group.

There the students learn and experience, firsthand, the culture of another country. They will tour Japanese schools and businesses. They will meet with city government officials, and the students will speak to a number of groups during their stay. They will also answer questions from their Japanese student counterparts about their lifestyle in America. The students also will enjoy wonderful fantastic sightseeing trips and festivities. The students visit one of the world's largest cities: Tokyo.

Many students and adults who have traveled to Japan through this exchange in the past comment that this trip is an once-in-a-lifetime experience. The value of firsthand experience with a different culture, as well as how the USA is viewed from another country cannot be understated. While the Sister City program realizes that the events in our nation and world within the past few years have changed our lives, we believe it is important to continue to offer this cultural exchange program.

Costs for this once-in-a-lifetime experience are minimal. Many expenses are paid through donations by local business and civic organizations. *All participants pay a fee of \$750 due before departure.* They will be responsible for obtaining a passport, other travel expenses, and for any spending money they wish to take. Most all meals while in Japan are provided.

**The current travel schedule for the Greenfield delegation is planned for early June 2011. Student applications are only available on the Sister Cities of Greenfield website [www.sistercitiesofgreenfield.org](http://www.sistercitiesofgreenfield.org). Applications must be mailed to Kim Kile, 1114 Grayson Drive, Greenfield, IN 46140. The envelope must be postmarked no later than midnight December 15, 2010. Completed applications will not be picked up in school offices this year.**

Selected students will be called for an interview with the selection committee, and participants will be chosen by February, 2011. All participants will be required to attend a series of language and culture classes to prepare for their trip. All chosen will be responsible to attend all classes with one excused absence. Failure to attend will eliminate your opportunity to travel. For the following year, the delegation will also represent Sister Cities of Greenfield, Inc. at area civic meetings and will present and speak publicly about their Sister City experience.

For further information, please contact Kim Kile at 462-4073.
